Perfect business headshots for websites, business cards, executive portraits, resumes, dating sites, brochures, comp cards, magazine articles, professional directories and other purposes. Most of the time we deliver to you the same day via our online Dropbox service!

Please take note that we don't do full figure shots in Basic headshots session. You must give us permission to use your head shots to advertise and promote our services otherwise our head shot services will not be available to you.

Basic Retouching (defined as any retouching we can do within 60 seconds per image) and performed at photographer's discretion and already included in head shots delivery.

Retouching will make your headshots cleaner, sharper, stronger, and yet still appear natural. Basic Retouching includes:

Removing blemishes
Even out skin shadows
Cleaning up overall skin

Clean up hairline
De-emphasize wrinkles
Remove bags under eyes & dark circles
